ALCORN STATE UNIVERSITY

June 12 – 30, 2006

Counselor

## Duties

1. Coordinating and transporting students to designated areas.
2. Chaperone and maintain the security of students between 8:00 a.m. – 5:00 p.m. (at a minimum) AND accompany students to act as additional chaperones on off-campus trips.
3. Students you may be working with are between the ages of 12 and 16 from culturally diverse backgrounds. Realize that these students are NOT in college and will require more assistance and patience on your part.
4. There will be no shouting or profanity used in the presence of the students. Reprimand and/or dismissal will result if this occurs.
5. Be knowledgeable in the areas of education, diversity and/or psychology to increase the learning experience. In addition, you will be responsible for assisting in the completion of exercises and rap sessions to identify, accept, and appreciate diversity among racial groups.
6. Be familiar with mainstream topics of concern to this age group.
7. Be able to be an impartial counselor to ALL students, not a particular group (i.e. boys, girls, particular ethnic group).
8. Desirous that counselor have some animal handling skills. This is an Animal Science/Veterinary Medicine focused camp so we will be constantly working with animals.
